Lifejacket Loaner Station

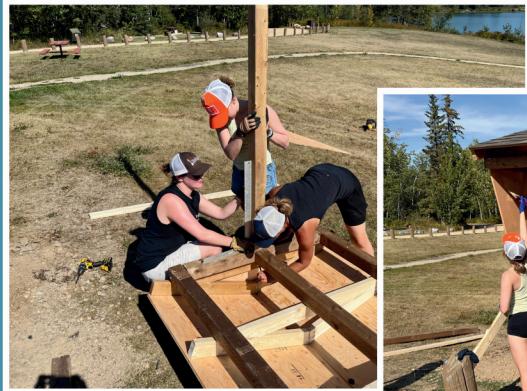

Figure Eight Lake is a popular recreational location for residents of the Peace Region. Following a drowning in 2022, the Lifesaving Society conducted an investigation to find out how the lake could be made safer.

The Lifesaving Society found that while the lake could use more precautionary signage, they also found that Figure Eight Lake would be an excellent location for a Lifejacket Loaner Station!

In August 2025, with the help of Alberta Parks, the Peace Regional Pool staff built a Lifejacket Loaner Station right at Figure Eight Lake! The cost of the station was entirely covered by the Town of Peace River.

This Lifejacket Loaner Station will operate roughly between the months of May and October of each year, weather permitting, and loans out free lifejackets to swimmers of all ages, including adults.

We are always looking for more lifejackets for the station, particularly those rated for 90+ lbs - new or gently used lifejackets can be brought to the Peace Regional Pool!

**Kids don't float!
